Subject: Tomorrow's Coordination Meeting
DWR Proposed BDCP Purpose USACE.docx

Good afternoon – We have a 404 Coordination meeting scheduled for tomorrow from 9:30-11:00. Since many people are on vacation and not able to attend I think this will be a short meeting. I would like to have a short discussion on the Corps BDCP basic and overall project purpose statements (attached). Otherwise, I think we can table topics until our next meeting, which will be January 19th.

Happy Holiday, Cassandra
